Each classification of appraiser reflects the scope of work, which the appraiser may undertake, and accordingly each has differing qualifications. The scope of work for each type may change if the federal government adjusts its guidelines. At the present time the classifications in Alabama are:

1. The state "Trainee Real Property Appraiser" is an entry-level classification, which requires the trainee to work under the direct supervision of an experienced, licensed appraiser. The scope of activity is the appraisal of those properties, which the supervising appraiser is permitted to appraise.
2. The "State Registered Real Property Appraiser" classification includes those individuals who may perform real estate appraisals on non-federally related properties (those properties which are the subject of appraisals for non-federally related transactions) including: (a) Complex appraisals of 1 to 4 unit non-federally related residential properties having transaction value of \$250,000 or less; other non-federally related non-residential properties having transaction value of \$250,000 or less. (b) Non-complex appraisals of 1 to 4 unit non-federally related residential properties having transaction value of \$1,000,000 or less. (c) This classification does not include the appraisal of subdivisions wherein a development analysis/appraisal is necessary and utilized.
3. The state "Licensed Real Property Appraiser" classification includes those individuals who may perform real estate appraisals on properties involved in federally-related transactions including: (a) Complex appraisals of 1 to 4 unit residential properties having transaction value of \$250,000 or less; (b) Non-complex appraisals of 1 to 4 unit non-federally related residential properties having transactions value of \$1,000,000 or less; (c) appraisals of other types of real estate having transaction value of \$250,000 or less.
4. The state "Certified Residential Real Property Appraiser" classification refers to those individuals licensed by the Board as being qualified to perform federally related residential real estate appraisals on 1 to 4 unit residential properties without regard to the complexity or dollar amount. These appraisers are also permitted to appraise non-residential properties having a transaction value of \$250,000 or less.
